LIFE AT TECHNOTECH

Layout of the major event

02

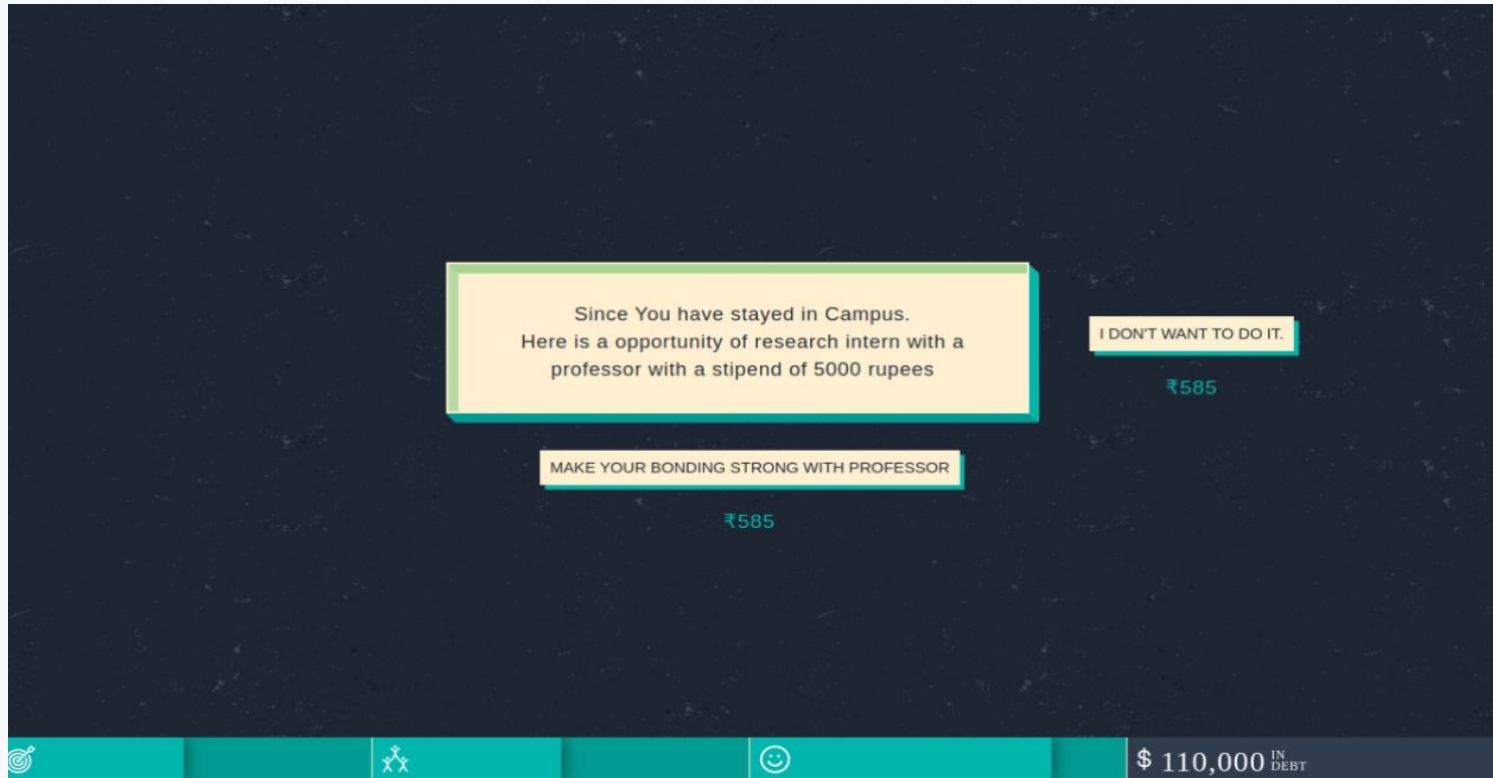

About The Event

You will virtually live the life of an IITian , facing various difficult choices along the journey of four years which will affect **4 FACTORS** of your college life.

Your final score will be a sum of your **factor dependant score** and performance in **year end exam - events**,

The four years will respectively end with **year end exams** which are events of their own , with separate independent scoring .

After going through each year you shall face the year end exam events , which shall have rules mentioned . please read those rules carefully.

You will have to make choices like these

The lower panel shall show you your 4 factors' status.

GLOSSARY

Some new terms used
